9. Cricket

A. General Cricket Rules

- In cases where no odds have been offered for a tie and the match/offer ends in a tie, bets will be settled according to the so-called "dead-heat" rule where the payout would be calculated after the odds are divided and multiplied by the stake, irrespective whether the net payoff is lower than the Patron's stake. Should such provision be in place, it would be listed in conjunction with the bet offer. In competitions where other means are used to determine a winner after a tie ("Bowled out" or "Super over") then offers will be settled based on the result after such prolongations are completed.
- Highest Opening Partnership" requires that both sides complete their opening partnerships with the exception of those situations where an outcome has already been determined.

For example, if a batsman's score stands at 50 <Run total when a game or innings is terminated due to bad light or rain, all bets on 50.5 Runs will be cancelled. However, all bets on "Over 49.5 Runs" will be considered as winning while bets on "Under 49.5 Runs" will be settled as losing. Should a batsman retire due to injury, his score at the end of his team's innings will be considered as the result for that bet.
- In "Tail of Net Wicket" betting should either batsman retire due to injury before a result has been determined all bets will be declared cancelled. A result is deemed to have been determined if the Innings total has passed the Run total at which the bet was accepted. If a team declares or reaches their target, the total achieved by the batting team will be the result of the market. If a partnership is disrupted due to weather all bets will stand, unless there is no further play in the match. In such case all bets where a result has not already been determined will be cancelled.
- For "Next Over" betting (Over/Under & Odd/Even), extras are included for settlement purposes. Bets will be cancelled if the Over is not completed unless a result has already been determined. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches, bets will stand. - Last Goal Scorer" - The bet refers to a specific player being the scorer of the last goal either during a particular timeframe of the event (E.g. Stakes will be refunded only on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the previous player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no previous goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.
- "Scorecast" and "Matchcast" are bet offers where it is possible to bet simultaneously on a particular occurrence (e.g. First Goal Scorer) combined with another from the same, or related event (e.g. Correct Score in the match, or match outcome). Should the bet refer to First or Last Goal Scorer, House Rules as stated in <Section C, Para 13.1> and <Section C, Para 13.2> will apply, where applicable. Stakes will be refunded on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer.
- Unless otherwise specified or indicated in conjunction with the bet offer, all other goal-related bets will require the listed player(s) to play from the start of the match to be valid. Own goals will never count as a goal scored for any selected player.
- On all bets related to yellow/red cards, booking points, etc., only cards shown to players which at that moment are on the pitch are valid for settlement purposes. Cards, disciplinary notices, suspensions, imposed on any other individual which at the moment of the sanction is not, or should not, be actively playing on the pitch, as well as disciplinary measures taken after the game has officially ended, are disregarded.
- All disciplinary-related bets referring to individual(s) (E.g. yellow card, red card, number of fouls), will require the listed player(s) to play from the start of the match to be valid.
- "Booking Points" are calculated according to the following rules: "Yellow card" = 10 points, Red card = 25 points. Maximum points for one player are 25.
- "Head to Head" and "Over/Under" bets involving the performance of one or more players in the event/tournament are considered valid given that all listed players start the match for bets to stand.
- "Head to Head" and "Over/Under" bets involving the performance of one or more players in the event/tournament are considered valid given that all listed players take part in the event/tournament at some stage for bets to stand.
- All bets referring to aggregated Tournament Totals (such as Goals, Corners, Cards, Penalties, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (E.g. Extra Time) but not Penalty Shoot Outs.
- Unless specifically stated, all bets referring to a particular team winning a number/selection of trophies in the same season will be based on the particular team's performance within the following competitions: the domestic league, the apparent equivalent of the respective FA Cup and League Cup as well as the Champions League or Europa League. Other trophies and Europa Super Cup, UEFA Super Cup, World Club Cup) do not count.
- The "Domestic Double" is to be considered as the team's victory in the apparent equivalent of the respective domestic league and FA Cup.
- For settlement purposes, bets referring to the number of cards shown by the referee will be counted as follows:
 - Yellow card = 1
 - Red card = 3
 - One yellow and a red = 3
 - Two yellow cards and a red = 3The maximum cards for one player is 3 cards. Only cards shown to players currently eligible as per C.14.5 will be taken into consideration.

- Bets (whether a particular player is named or not) on certain areas of the pitch (e.g. from outside the "penalty box") will be settled based on the position of the ball at the time the shot was struck by the player, irrelevant of any further deflections which the ball trajectory might occur following the initial shot. For the sake of clarity, it is to be understood that the lines delineating the "penalty box" are to be considered as an integral part of such area of the pitch. Thus, should a shot be struck with the ball hovering above, or touching, even partially, said lines, the shot will not be considered as having been effected from outside the box.
- On all bets pertaining to a particular player(s) will manage hit the cross bar, goal post or any other part of the frame delineating the goal area will only be settled as having accomplished such feat if the shot does not result directly in a goal being awarded exactly after the ball hits a part of the goal frame. Settlement will only take into consideration shots aimed at the goal frame defended by the opponents of the listed player(s) team. Should a player have a shot which hits the post their team depends this will not be considered as having accomplished such feat.
- During certain events the Operator might decide to offer to betting a reduced selection of participants (E.g. Any unlisted Team X player) or else a single participant as a representation of the whole squad (E.g. "Any Team X player"). In both cases for settlement purposes, all unlisted squad members are to be deemed as starters (and settled as such), including substitutes regardless whether they take part in the match or not.
- Bets on the performance of players starting the match on the bench will be settled as cancelled if the player is either listed in the starting XI or does not take part in the match at all.
- On offers such as Next Goal Scorer, Next Carded player, Next Assists and Man of the Match, stakes will be refunded should the chosen player not take part in the match at all. Results for this offer will include any outcomes obtained during eventual Extra Time but not during Penalty Shootouts.
- Bets on "Next Assists" for a particular goal will be settled as cancelled should the governing association declare the specified goal as having been unassisted, the specified goal is an own goal and/or no more goals are scored in the match. Results for this offer will only include any goals scored during eventual Extra Time but not during Penalty Shoot-out.
- Bets referring to penalty kicks conversion and/or outcome will be settled according to the outcome recorded on the field of play as per the rules governing that specific scenario and in cases of penalty shoot-outs will remain valid regardless of the format employed by the governing association during the shoot-out. Bets stand in case the penalty is scored or not taken and the goal will be settled according to the actual result.
- As a general principle, settlement will be based on the concept that unless the penalty kick results in a goal being awarded (and settled accordingly), the first person/object/location (as applicable) which the ball initially touches after being kicked will be considered the winning outcome, disregarding any other persons/objects the ball is/its subsequent trajectory following any previous deflection, if any. The following examples are being issued as a general guideline on settlement:
 - "Goal" would be the winning outcome in case of the following scored penalties scenarios:
 - Any penalty kick which ends up as a goal without it being deflected;
 - Goalkeeper touches the penalty kick but ball ends up as goal;
 - Penalty kick touches the woodwork before ending up in goal.
 - "Save" would be the winning outcome in case of the following missed penalties scenarios:
 - Goalkeeper deflects the penalty kick outside the goal frame;
 - Goalkeeper deflects the penalty kick onto the post/crossbar.
 - "Woodwork" would be the winning outcome in case of the following missed penalties scenarios:
 - Penalty kick hits the woodwork before it is touched/saved by the goalkeeper;
 - Penalty kick hits the woodwork and ball goes outside the goal frame.
 - "Any other Miss" would be the winning outcome in case of any penalty kick which without any deflection either by the goalkeeper or by the woodwork ends up outside the goal frame.Except to the above scenarios would be in in case of penalty shoot-outs, should the ball hit the woodwork, bounce on the goalkeeper and end in goal, such penalty will be considered as having been scored while should said situation occur during any other part of the match which is not a penalty shoot-out.

- Any decision taken by the Video Assistant Referee (VAR) which conflicts with the original decision sanctioned by the officials on the pitch (including non-decisions like allowing play to continue before reviewing the video), thus altering the understood state of the match at the time of bet placement, will result in all bets placed in the timeframe between the actual occurrence of the original incident and the referee's final decision on the incident being deemed as cancelled, unless the odds offered on the specific bet offer are unaffected by the use of VAR or have already been accounted for in the odds offered at the time of bet acceptance. Settlement on all other unrelated bet offers, including those determined by any play between the time of the original incident and the decision following the VAR review, which are not influenced/altered by the VAR decision will stand.
- For resulting purposes VAR reviews are to be considered as having happened at the time of the original incident for which the VAR would be eventually used even if play has not been immediately interrupted. The Operator reserves the right, in accordance with <Section A, Para 6.1>, to reverse or reset/re settle any previously settled offers where the settlement becomes inaccurate following the final referee decision, providing said incident and communicated before the conclusion of the match and/or inbetween lists.
- In order to avoid any doubts, the Operator is considering the VAR as having been used if it is understood from the referee's gestures (e.g. hand gestures, stopping the match to review the incident themselves), and/or the VAR usage is confirmed by the match report issued by the official organization. In cases where it is unclear whether the VAR has been used due to missing TV coverage and/or conflicting reports, the Operator will settle the bets based on the information acquired from feed providers and generally reputable online sources on the basis of evidence.
- For settlement purposes, markets referring to Team to be shown the next Card (booking) and/or "Total Cards" will always consider a Red Card > 2 instances of a card being shown and will be settled accordingly. The following examples are being listed as a guideline:
 - First card shown in a match is a straight Red Card. The team to which the card is awarded will be settled as the winning selection for the offers: Cards #1 and #2.
 - First card shown in a match is a Yellow Card followed by a straight Red Card to the same player without a second yellow card being shown. The team to which the cards are awarded will be settled as the winning selection for the offers: Cards #1, #2 and #3.
 - First card shown in a match is a Yellow Card followed by a second Yellow Card with the subsequent Red Card to the same player. The team to which the cards are awarded will be settled as the winning selection for the offers: Cards #1, #2 and #3.
- Markets referring to which player will be the next to be booked/receive a card are to be understood and settled as per the order of the instance in which each single player gets booked/sent off by the referee. The card colour shown by the referee will not be given any consideration in the settlement of this offer and the decisive criteria will always be the order in which the single player is considered to have gone into the referee's book. For settlement purposes it is possible for a single player to be listed twice as the "Next Carded player" as much as both bookings occur during different interruptions of play. Should 2 or more players be booked during the same interruption of play, bets on this offer will be settled as cancelled.
- Any reference to "Tree Kicks" both when presented as a single outcome, as well as an occurrence will also take into consideration instances awarded for offside and any other violation except those sanctioned with a penalty.
- For selected events, and without prejudice to <Section A, Para 5, Clause 4>, the Operator will allow users to place bets combining outcomes and occurrences from the same event (aka intra-event combinations), either through pre-established combinations present in its Sportsbook or through the BetBuilder functionality. Unless otherwise stated, either in conjunction with the bet offer or in the Sport-specific rules, settlement will be based as per the rules governing the particular sport the bet refers to. All listed occurrences must be fully accomplished for the bet to be considered as winning and any ties will be considered as a LOST outcome, unless otherwise stated within the offer (Example: A bet on Team X to win and have more than 8 corners will be considered as L

Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the tennis-section for reference.
- 5) All "Correct Score" offers, "Odd/Even", and those offers which refer to the winner of particular period/lineframe in the match (example "Which team will win the 1st set?" and "Set 2 - Race to 15 points" require the relevant part of the match to be completed.
- 6) All type of offers not speched above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.

27. Winter Sports (when approved)

- 1) This section is valid for the following sports: Alpine Skiing, Biathlon, Cross Country Skiing, Freestyle, Nordic Combined, Short Track, Ski Jumping, Snowboard & Speed Skating.
- 2) Results from a competition will be deemed valid if it is declared as a valid competition for the relevant category, by the governing association for that sport. This applies in case of an event being shortened, such as only consisting of one run/jump instead of two, or an event being moved to another venue.
- 3) In cases of abandoned/uncompleted events, all those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome are deemed valid and will be settled accordingly.
- 4) All offers will be settled as canceled if the original/stated format of an event is completely changed, like the size of hill in Ski Jumping, style in Course Country Skiing, etc.
- 5) The Operator reserves the right to apply Tattersalls Rule 4 in case of a non-starter in a "Group Betting" ("Best of X") offer.
- 6) Offers related to specific Winter Sports events (excluding for example bets referring to Overall classifications, Olympic, World and Continental competitions), are offered with the explicit assumption that the particular event will be the next event held in that particular sports/discipline. Should the specific event be moved for any reason whatsoever and an exactly similar event for that sports/discipline is held in the same location starting in not more than 72 hours, the bets will be valid for the next scheduled event in that sports/discipline. Thus, if for example two separate races from the same sports/discipline are scheduled for Friday and Saturday and the Friday competition is moved to Saturday or Sunday, the bets on the Friday competition will be settled in accordance with the next scheduled event, in this case Saturday's events. In cases where just 1 event is scheduled in that sports/discipline and the starting time is moved less than 72 hours, bets will remain valid and will be settled accordingly. Should no event with the same connotations be held in the 72-hour period after the initially scheduled time, bets will be settled as canceled.
- 7) In a "Head to Head" between two or three participants, at least one of the listed participants must complete the final run/stage/jump which the bet refers to, for bets to be considered valid. Such provision is not applicable for Cross-country Sprint events which include different elimination stages as well as Ski Jumping. In such cases, settlement will be based on the official classification irrespective of whether any of the listed participants completes the final run/stage/jump.

28. Sport Specific Limits

- 1) As mentioned in these House Rules, the Operator reserves the right to limit the net payout (the payout after the stake has been deducted) on any bet or combination of bets, by one Patron or any group of Patrons acting together by lowering the amount the Patron is permitted to wager on the event.
- 2) Unless explicitly agreed upon, winnings in excess of the limits will be disregarded.
- 3) Limits vary depending on the sport, the type of competition and the type of bet offer. Should a bet contain a combination of offers from different sports/categories/matches and/or offer types, the payout will be limited to the lowest level included in the combination, as speched below.
- 4) Please visit the ticket writer's counter for information on limits on a specific event.
